Mug n' Muffin suggestions: The PTC invites speakers to each Mug n' Muffin that will be of interest to you. What topics are you interested in? Do you know anyone who would make a great speaker?

What gifts or talents do you have that you would consider sharing? In the past, we have had parents share their gifts of music, food, financial literacy, computer skills, juggling (really), etc. Please let us know if you are comfortable enriching the school community.

Volunteering

Volunteering at DHUMP is a great way to become involved in your school community. You will meet other parents, interact with teachers, and learn more about the place your child considers home for part of the day.

Thank you!

Laurie Whitehead, PTC Volunteer Coordinator
